## The Adaptive Recreation Program Participant Guidelines for Teen Scene

Please observe the following . . .

- **Transportation:** When activities are at places other than Bear Creek Services, parents/guardians are responsible for transportation to and from the location.
- **Drop off** is allowed 15 minutes prior to the start time.
- **Late Pick Up Policy:** There will be a **\$9.00** late fee charged after the pickup time has passed. The fee will increase an additional **\$9.00** every 15 minutes and must be paid before participant can attend the next activity. Participation can resume once the balance is paid to the Parks & Recreation Department. Considerations will only be made in extreme cases.
- **Program participants** . . . as fun as it is to have friends join the festivities, if they are not registered with Teen Scene, they will not be able to participate. This includes activities that are scheduled in public places such as the movie theatre, bowling alley, etc. Sorry!
- **Cell Phones & other handheld electronic devices:** are to be turned off and put away during activities. If Teens must make or take a call during an activity, they may do so with permission from staff.
