## **FOG Program Cleaning and Maintenance Log Sheet**

Per the City of Rochester's FOG Ordinance, this information must be recorded for every maintenance and cleaning activity on the grease interceptor that is completed by the facility. This log must be available for inspection by City staff at any time. Copies of the logs must be kept on site for a period of at least 3 years.

| Facility Name:                  | Phone Number:               |
|---------------------------------|-----------------------------|
| Address:                        | Minimum Cleaning Frequency: |
| Location of Grease Interceptor: |                             |

|      | Name of Hauler - OR - Name of Person Cleaning | Cert. | Depth Measurements       |     |        | S      |                         | Destination of          | Verification*          |
|------|---|-------|--------------------------|-----|--------|--------|-------------------------|-------------------------|------------------------|
| Date |   |       | Total<br>Liquid<br>Depth | FOG | Solids | % full | Maintenance<br>Comments | Waste<br>Hauled/Removed | by Owner or<br>Manager |
