2024 MEN'S CLUB

Gentlemen-

March 14th, 2024

March 14th and we have already been open for 13 days!

If this weather continues, I would like to start our weekly events either the 16th or 23rd of April, plus a Sunday event on April 28th. We might not get a full field, but let's go!!

Again, to increase numbers we will allow the weekly events to be played on either Tuesday or Wednesday, as long as you play with another league member. You may only enter the weekly events once.

As in years past, we will also have the traditional Sunday shotgun team events throughout the season. Two of these being food events, as well as a two day Club Championship in August.

New this year-We are adding a 10 man shootout to be played in October, with qualifying starting the 15th of Aug.

The Harry Gieselhart Memorial 2-Man match play format will be conducted throughout the golfing season, find a partner (or we can help) and sign up by 5/15.

Cost for the league will be \$80, which includes your USGA handicap, Merchandise, food, and cash prizes.

If you already have paid for a HDCP online (JOL Member) with the MGA, dues would be \$50.

To participate in the Club Championship, Dues must be paid by May 21st.

W.W. (Watty) Watson
