

DESTINATION MEDICAL CENTER CORPORATION

RESOLUTION NO. ___-2023

Authorizing Report to the Legislature Pursuant to Statute

BACKGROUND RECITALS

A. Minnesota Laws, Chapter 143, Article 10 (the “Act”) provides that by February 15 of each year, the Destination Medical Center Corporation (“DMCC”) and the City of Rochester (the “City”) must jointly submit a report to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over local and state government operations, economic development, and taxes, to the Commissioners of Revenue and Employment and Economic Development, and to Olmsted County. The DMCC and the City must also submit the report as provided in Minnesota Statutes, Section 3.195. The report must include the following specific elements:

- (1) the development plan and any proposed changes to the development plan;
- (2) progress of projects identified in the development plan;
- (3) actual costs and financing sources, including the amount paid with state aid under section 469.47, and required local contributions of projects completed in the previous two years by the corporation, city, county, and the medical business entity;
- (4) estimated costs and financing sources for projects to be started in the next two years by the corporation, city, county, and the medical business entity; and
- (5) debt service schedules for all outstanding obligations of the city for debt issued for projects identified in the plan.

B. The DMCC and City staff have prepared a draft report, due on February 15, 2023, and attached as Exhibit 1. On February 6, 2023, the City Council approved the report.

RESOLUTION

NOW, THEREFORE, BE IT RESOLVED, by the Destination Medical Center Corporation Board of Directors that the Chair or Vice Chair of the DMCC is authorized to execute and submit the report to the Minnesota Legislature as required by the Act, in form similar to the report attached here as Exhibit 1, as may be modified through further discussions with the City, and to take such other actions as are necessary and appropriate to effectuate the timely submission of the report to the Minnesota Legislature.

Re: Destination Medical Center - February 15, 2023 Report

Dear Senators, Representatives, Commissioners, and Chairs:

On behalf of the Destination Medical Center Corporation (the “DMCC”) and the City of Rochester (the “City”), we are pleased to submit this report on the progress of the Destination Medical Center (“DMC”) initiative, in accordance with Minnesota Statutes, Sections 469.40 – 469.47 (the “Act”).

As we look back on the year 2022, the DMC public-private partnership proved instrumental in turning from the challenges posed by the COVID-19 pandemic and towards the future of establishing the City as the world’s premier destination for health and wellness. The certified private investments demonstrate the on-going success of the

DMC initiative. From 2013 through 2021, the collective efforts of Mayo Clinic and other private entities exceeded \$1.2 billion in qualified private investments.

Specifically, in 2022, we certified a total of \$155,147,823.20 for the year ending December 31, 2021, which includes \$110,586,916.31 in Mayo Clinic investments and \$44,560,906.89 in other private investments. The cumulative total of Mayo Clinic and other private investments through 2021 is \$1,262,043,959.32. The City of Rochester has contributed \$56,861,752.23 in certified expenditures from July 1, 2013 through December 31, 2021.

In addition to these certified investments, there are many other projects proposed or under construction, the majority of which are private investments with no direct DMC public assistance. A map of the DMC development district and key projects is attached as Exhibit A.

The success of the DMC initiative may also be measured by employment and tax revenue. As detailed in the Five-Year Update to the Development Plan (the “Five-Year Update”), from 2015 – 2019, the City added approximately 7,700 jobs. More than 80 percent of the new jobs paid more than the City’s Area Median Income of approximately \$75,000. Rochester currently has one of the lowest unemployment rates in the country at 1.6%. Tax value per acre within the DMC district increased from approximately \$0.828 billion in 2015 to \$1.813 billion in 2020. A summary of significant projects is attached as Exhibit B.

This report will provide a brief background of the DMC initiative and then provide the responses required by the Act.

Destination Medical Center: Background.

A. Private Investment Leads the Public Investment.

The Act required that private investment lead the way for this private-public model of partnership: over \$200,000,000 in Mayo Clinic and other private investment had to occur before any state funding would begin to flow. That threshold was met, and exceeded, in 2017.

B. Development Plan.

One of the primary goals of the Act was the adoption of a Development Plan. In September 2013, the DMCC established specific goals and objectives for the Development Plan: to create a comprehensive strategic plan, and over the life of the project, to stimulate over \$5 billion in private investment that will be supported by \$585 million in public funds, create 35,000-45,000 new jobs, generate \$7.5 billion to \$8.5 billion in net new tax revenue, and achieve the highest quality patient, visitor, and resident experience.

The Development Plan is the strategic framework for the Destination Medical Center initiative, establishing a comprehensive business and economic development

strategy. It includes land use, transportation and infrastructure planning, market research, funding priorities, business and economic development, and market strategies. Upon making the findings set forth in the Act, including finding that the City had approved the Development Plan, the DMCC adopted the Development Plan on April 23, 2015. The Act requires that the Development Plan be updated not less than every five years. The Five-Year Update was approved by the City and by the DMCC in 2020.

C. Mission Statement.

The DMCC's mission statement provides a framework to guide its work:

With Mayo Clinic at its heart, the Destination Medical Center (DMC) Initiative is the catalyst to position Rochester, Minnesota, as the world's premier destination for health and wellness; attracting people, investment, and jobs to America's City for Health and supporting the economic growth of Minnesota, its bioscience sector, and beyond.

D. Website.

The DMCC's website is: www.dmc.mn. The website contains the regular meeting schedule, meeting agendas, minutes, and other information on DMCC activities, as well as project updates, investor and developer information, subdistrict descriptions, market research, and ongoing activities of the EDA. The City's website, www.rochestermn.gov, also has a link to the DMCC website.

Specific Elements Required to Be Included in the Report.

Minnesota Statutes, Section 469.43, subd. 8 requires that five elements be included in this annual report.

(1) "The Development Plan and any proposed changes to the Development Plan."

The Development Plan was initially adopted on April 23, 2015 and amended in 2016 and in 2020 to modify the Destination Medical Center Development District, the geographic area in the City of Rochester in which public infrastructure projects are implemented to support DMC.

The Act requires that the Development Plan be updated not less than every five years. In 2020, the Five-Year Update was posted publicly and a public hearing was held. The Development Plan and the Five-Year Update can be found at the DMCC website: <https://dmc.mn/plan-priorities/>.

(2) "Progress of projects identified in the Development Plan."

According to the Act, a public infrastructure project must be approved by the DMCC before it is proposed to the City. The DMCC must review the project proposal for consistency with the Development Plan. Since the adoption of the Development Plan on April 23, 2015, a number of projects have been approved by the DMCC and the City. A

map of the DMC development district and key projects is included as Exhibit A. A summary of major approved projects in the DMC development district is attached as Exhibit B.

We wish to note the progress in 2022 of certain approved projects, in particular:

Heart of the City Phase One: Heart of the City creates a true center of the City, where Mayo Clinic, commercial, hospitality, retail, and residential meet. Enhancing public spaces in Peace Plaza and First Avenue in the Heart of the City subdistrict, home to many hotels, restaurants, medical facilities, and entertainment venues, is a long-standing priority. The first phase of this project focused on renovating the east side of Peace Plaza and surrounding areas. New and expanded commercial and retail businesses occurred. A commemoration was held in May to celebrate the significant progress in completing phase one. Completion is expected in 2023.

Discovery Square Updates: Discovery Square is a sixteen-square-block area in the Development District and is the cornerstone of the DMC economic development strategy. As a live, work, and play environment, it has become a hub of biomedical research, education, and technology innovation. In 2022, construction was completed on

Two Discovery Square, a 125,000 square foot bioscience building that expanded the DMC bio-medical, research, and technology innovation campus. It features tech-forward tenant spaces designed with flexible lab capacity and leading-edge technology.

Discovery Walk: Construction is well underway for Discovery Walk, a four-block linear parkway along 2nd Avenue SW. It is planned to connect Annenberg Plaza to Soldiers Field Park and function as an extension of the Heart of the City public realm project. Discovery Walk will serve pedestrians and vehicle traffic while also serving as a catalyst to future private development in Discovery Square. Construction is expected to be completed in 2023.

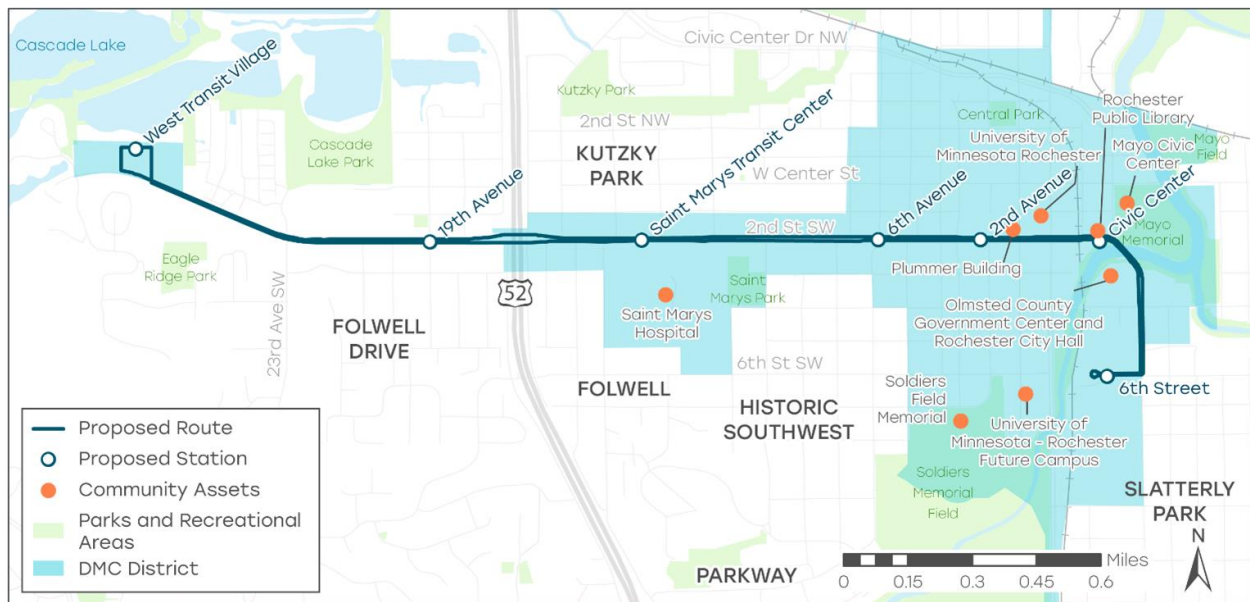

Bryk on Broadway Project: The Bryk on Broadway is a mixed-use, mixed-income apartment building with 180 workforce housing apartments, providing rents at varying levels. Construction is anticipated to be completed in the first quarter of 2023.

Riverfront Reimagined: Following a City-initiated small area plan study for a portion of the 60+ acre area, located southeast of the downtown core on the Zumbro River, the City continues to lead development of this “front door” to the river to a gateway into downtown. In July 2022, the City adopted a preferred plan to guide the transformation of the redevelopment area to a future mixed-use neighborhood. Next steps include review by the Army Corps of Engineers, further design work, and interim site activation. In August of 2022, the City was awarded a RAISE grant in the amount of \$19.9 million for the Sixth Street Bridge crossing the Zumbro River. Funds from the DMCC- and City-approved Capital Improvement Plan supported both the small area plan and the Sixth Street Bridge initial planning and design work.

Mobility: In 2022, with community input, the DMCC and the City approved revisions to the approximately three-mile bus rapid transit project known as “Link BRT.” They approved a route realignment, including a new station on 6th Street SE, west of 3rd Avenue SE, and adding a westbound station at the downtown library. In addition, they approved enhanced station design, with weather projection for twelve stations and direct vertical access to pedestrian subways for three stations, to improve the riders’ use. These revisions were made to the pending Federal Transit Administration (FTA) Small Starts application. The amount of DMC funds is expected to remain constant. To advance the long-term success of this project, the City and Mayo Clinic entered a twenty-year operating agreement in which Mayo Clinic will cover the annual local match for operating costs and all riders may use the system without paying fares.

In addition to these projects, the DMCC and the City have approved a Capital Improvement Plan (“CIP”) for public infrastructure projects for 2023. Projects identified in the CIP are categorized as follows: Public Realm, Strategic Redevelopment, Streets and Sewers, and Mobility.

Public Realm Projects include:

- Chateau Theatre Improvements and Assets Preservation
- Discovery Walk Construction
- Education-Recreation Subdistrict (Soldiers Memorial Field Park)
- Downtown Waterfront: Riverfront Planning and Design

Streets and Sewers Projects include:

- Sixth Street Bridge, Sixth Street SE, Waterfront Connectivity
- Sanitary Sewer Capacity Bypass on 3rd Ave. SW

Mobility Projects include:

- Arrive Rochester Implementation
- Rapid Transit Implementation, including Second Street Reconstruction and Streetscape

Soldiers Memorial Field Park (“Soldiers Field”) contains 150 acres of memorials and active recreation space. The northern portion lies within the DMC district and is featured in the Development Plan. Discovery Walk will connect the Heart of the City to Soldiers Field and the Sixth Street Bridge will link Soldiers Field to the downtown waterfront area. In 2022, the City Park Board adopted a short-term Soldiers Field Master Plan. The 2023 CIP includes funding for planning, design, and construction for this significant project.

DMC public realm projects have benefited from a community co-design process that encourages the involvement of individuals and communities most impacted by a project. Community members are retained to assist with reaching previously underrepresented communities and perspectives. It is an example of the efforts to advance equitable and inclusive economic development strategies. Building on the success of community co-design in a variety of DMC-funded projects, in May 2022, a community co-design toolkit was created to assist others with inclusive engagement. It is available at: <https://dmc.mn/dmc-celebrates-community-co-design-toolkit/>.

The DMC-funded projects above reflect only a portion of the number and type of public and private development projects in the DMC district. Early strategic DMC investments in public infrastructure and commercial and residential projects successfully established Rochester as a destination for investment and development. Other projects, which are now proceeding without the need for public DMC support, include workforce and market-rate housing, extended stay hotels for patients and companions, renovations to historic properties, world-class medical care and research facilities, co-working space, small business improvements, and more.

(3) “Actual costs and financing sources, including the amount paid under Minnesota Statutes Section 469.47, and required local contributions of projects completed in the previous two years by the DMCC, City, Olmsted County and Mayo.”

The Act requires that an annual certification of private investment by Mayo Clinic and other private investors be made to DEED by April 1 of each year, and DEED must certify that \$200,000,000 of private investment has been made before any state funding may be paid. This threshold was met and exceeded in 2017. The cumulative total amount of private and Mayo Clinic certified investments to date is \$1,262,043,959.

In compliance with Minnesota Statutes Section 469.47, attached is the annual certification of Mayo Clinic and other private investment that was submitted to DEED on March 23, 2022, as revised June 16, 2022 (Exhibit C). We also attach the revised annual certification of City expenditures, which was submitted to DEED on June 15, 2022 (Exhibit D). DEED conducted its own audit process of the certified expenditures,

requested revisions, and then approved the expenditures. The DEED certifications, dated June 30, 2022, are attached (Exhibit E).

In addition, we offer the following information:

1. Through December 31, 2022, State Infrastructure Aid in the amount of \$97,591,189.36 has been received. No State Transit Aid has been received.
2. Actual costs paid by the City from commencement through December 31, 2022 have totaled \$79,018,424.79, based on year-end unaudited costs. The funding source was initially City internal borrowing, which is being repaid, along with the costs for new projects and initiatives, by the City's 0.25% DMC sales tax. The City has also issued capital debt for a new parking ramp in the district. Just as the Mayo Clinic investments and other private investments have underscored the commitment to DMC, so too have the City contributions.
3. Through December 31, 2022, Olmsted County has contributed \$16,500,000.
4. The 2023 combined operating and capital improvements budget for the DMC totals \$52,181,135, a portion of which (approximately \$8 million) is being paid for with funding other than state funds. Of this amount \$3,419,779 will be provided by Olmsted County from its 0.25% sales tax. The remaining amount is to be provided by the City of Rochester from a variety of City funding sources, including its 0.25% DMC sales tax. In addition, Mayo Clinic has pledged financial and in-kind funding to the EDA in the amount of \$1,411,390.

(4) "Estimated costs and financing sources for projects to be started in the next two years by the DMCC, City, Olmsted County and Mayo."

The Development Plan sets forth a framework and examples of projects that may be considered for funding in the next several years. Each project will be approved on an individual basis. See also the response to "2" and "3," above.

(5) "Debt service schedules for all outstanding obligations of the City for debt issued for projects identified in the plan."

The debt service schedule is attached as Exhibit F.

CONCLUSION

Thank you for your consideration of this annual report. On behalf of both the DMCC and the City, we welcome your comments or questions. We look forward to continued progress on the Destination Medical Center initiative in 2023.

Summary of Major Projects in the Destination Medical Center Development District (Non-Mayo Clinic)

I. DMCC-APPROVED PROJECTS WITH PUBLIC FUNDING

The Hilton Rochester Mayo Clinic Area (formerly known as the “Broadway at Center” project): is located in the “Downtown Waterfront” subdistrict as described in the Development Plan. Approved in 2015, this 371,000 square foot mixed-use project includes a 264-room hotel, restaurants, retail space, a skyway connection, and a five-level public parking ramp with 540 public spaces and 90 private spaces. The restaurants and hotel opened in 2019.

The Berkman Apartments (formerly known as the “Alatus Project”): is located on 2nd Street SW in the “Saint Marys” subdistrict as described in the Development Plan. Approved in 2016, this mixed-use project involved the construction of an approximately 350,000 square foot, thirteen-level commercial and residential complex. It includes 350 market-rate rental units, created an estimated 235 construction jobs and eight permanent jobs, and generated a total of \$115 million in private investment. The Berkman was completed in 2020.

The Maven on Broadway (formerly known as Urban on First): is located south of 4th Street SW between 1st Avenue SW and Broadway Avenue and is in the “Discovery Square” subdistrict as described in the Development Plan. Approved in 2017, this approximately \$38 million mixed use project includes a six-story building with 156 market rate rental units, parking, and street level commercial and retail space for a total of 238,700 square feet. The Maven on Broadway was completed in 2019.

One Discovery Square (formerly known as Discovery Square Phase One): is on First Avenue SW in the “Discovery Square” subdistrict as described in the Development Plan. Approved in 2017, this approximately \$35 million bio-science building will be a center of innovation and is housing companies whose mission is to accelerate bioscience and technology discoveries to market. The four-story, 89,000 square foot building includes office, collaborative and retail space. As noted above, this project is the first phase of achieving a key component of the Development Plan: providing jobs in the bio-science sector. One Discovery Square was completed in 2019 and is approximately 100 percent leased.

Wells Fargo Renovation (21 1st Street SW): This project is a renovation of a 92,000 square foot existing building, located in the “Heart of the City” subdistrict as described in the Development Plan. Approved in 2018, this project is a catalyst for the public realm in the Heart of the City subdistrict and includes connections to the street and pedestrian skyway. The renovation has made approximately 23,000 additional square feet of commercial or office space available. The project created an estimated 30 construction jobs and provided 115 permanent jobs. This project was completed in 2020.

EXHIBIT B

Hotel Indigo Renovation: The Hotel Indigo project involved the renovation of an existing 172- room Holiday Inn, located in the “Downtown Waterfront” subdistrict as described in the Development Plan. Approved in 2018, the \$42 million redevelopment included the addition of 33,000 square feet to the existing 114,500 square feet and provided approximately 111 construction jobs and 28 new permanent jobs. Opening of the new hotel and restaurant occurred in 2020.

Hyatt House: The Hyatt House project is located in the “Central Station” subdistrict as described in the Development Plan. Approved in 2018, the \$44 million project includes an eight-story, 172- room extended-stay hotel, and is providing approximately 257 construction jobs and while creating 38 permanent jobs. This project was completed in 2021.

Heart of the City Phase 1 – Peace Plaza: This phase of the project is a renovation of the east side of Peace Plaza and surrounding areas. The construction of this transformative project, which includes improved safety, accessibility, universal design elements, sustainability, integrated art and improved infrastructure, was largely completed in 2022.

Bryk on Broadway Project: This project is located at 401 Broadway Ave N. It is a mixed-use, mixed-income apartment building consisting of 180 workforce housing apartments, providing rent at varying levels. Construction is expected to be completed the first quarter of 2023.

Two Discovery Square: Located at 209 5th St SW, this expansion of the DMC bio-medical, research, and technology innovation campus is a 125,000 square foot bioscience building. It features tech-forward tenant spaces designed with flexible lab capacity and leading-edge technology. Construction was completed in 2022.

II. OTHER PRIVATE PROJECTS

Conley Maass Building: This project involved the renovation of a historic building into a restaurant space and leased space for high tech companies. The renovation was completed in 2016.

1st Avenue Flats: This is a 68-unit affordable housing building, and all of the units are income- restricted to persons at or below 60% of the area median income. The building opened in 2017.

Lofts at Mayo Park: The Lofts at Mayo Park is a five-story, 29-unit market rate rental apartment project, which opened in 2017.

Flats on 4th: This project is a six-story mixed use development consisting of 92 rental apartment units, with 19 of the units affordable to persons at 50% of the area median income, and 2,300 square feet of ground floor retail space. The building opened in 2018.

EXHIBIT B

501 on First: 501 on First is a five-story, mixed use development consisting of 84 rental apartment units and 21,000 square feet of commercial/retail spaces. It opened in 2018.

Residence at Discovery Square: The Residence at Discovery Square is a six-story, mixed use development consisting of 143 rental apartment units, with 20% of the units affordable to persons at 60% of the area median income, and 15,400 square feet of commercial/retail space. It opened in 2019.

Hue Apartments: The Hue Apartments is a six-story, mixed use development consisting of 50 rental apartment units and 2,000 square feet of commercial/retail space. The Hue Apartments opened in 2020.

Even Hotels and Staybridge Suites: This is a 246-unit dual-branded hotel, which opened in 2021.

TownePlace Suites by Marriot: TownePlace Suites by Marriot consists of a 110-unit hotel with two levels of underground parking. The hotel opened in 2021.

Dear Commissioner Grove:

On behalf of the Destination Medical Center Corporation ("DMCC") and Mayo Clinic, I am pleased to forward the following revised materials for the April 1, 2022 certification, pursuant to Minnesota Statutes Section 469.47, Subdivision 2. Since our original submission of the Certification of Expenditures dated March 22, 2022, we have been working with the City and with Jeremy LaCroix and have revised certain numbers as follows:

1. DMCC Certification: I enclose the revised DMCC Certification of Expenditures made by an individual or entity, other than Mayo Clinic, for the period ending on December 31, 2021 ("Attachment 1"). The City of Rochester, Minnesota, assisted with the compilation of this report. The amount of 2021 investments set forth in this report is \$44,560,906.89.
2. Mayo Clinic Certification: The Mayo Clinic certification has not changed since our submission dated March 22, 2022. I enclose correspondence and accompanying materials from Christina Zorn, J.D., Chief Administrative Officer, Mayo Clinic, dated March 3, 2022 ("Attachment 2"). Mayo Clinic is certifying expenditures for the period of January 1, 2021 through December 31, 2021 in the amount of \$110,586,916.31.
3. Summary of Investments: The revised summary page, entitled, "Certification of Expenditures, Destination Medical Center" is enclosed, setting forth total cumulative expenditures through December 31, 2021, in the amount of \$1,262,043,959.32 ("Attachment 3").

Dear Commissioner Grove:

Attached with this letter is Mayo Clinic's certification of qualified expenditures of the medical business entity for the Destination Medical Center (DMC) initiative from January 1, 2021, to December 31, 2021. The amount of qualified investment is approximately \$110.6 million. Major projects included the continued modernization of Mayo Clinic Hospital, Saint Marys Campus; many improvements to Mayo Clinic's downtown Rochester, Minnesota, campus; and investment in DMC's Discovery Square life science sub-district.

As in prior years, Mayo Clinic is taking a conservative approach when counting DMC-eligible capital expenditures. Overall, we spent more than \$340 million on capital projects and equipment in Rochester in 2021 including improving our medical tissues archive and purchasing world-class medical equipment. In total, we plan to invest more than \$1 billion in Rochester facilities and equipment between now and 2025. Through 2021, our DMC investment totals more than \$762 million.

Looking back on 2021, I am grateful for our hard-working staff—in Minnesota and across the globe—who have put the needs of the patient first and sustained Mayo Clinic as a beacon of hope and healing. Last year, our dedicated Mayo Clinic team served more than 1.4 million patients, administered more than 1.1 million COVID-19 tests, and expended more than \$1 billion on research activities. Mayo Clinic also committed to investing in our people and our communities, including a guaranteed 4% minimum salary increase for eligible allied health staff in 2022 and community investments in Rochester totaling more than \$8.5 million including significant contributions to the Coalition for Rochester Area Housing, the Southeast Regional Crisis Center, and COVID-19 outreach and education.

Together, these commitments to our patients, our people, and the places where we live and work demonstrate Mayo Clinic's continued efforts to sustain and grow Rochester as a global destination medical center. We remain committed to achieving the long-term DMC development and investment goals and, despite COVID-19, we remain on a strong path. We look forward to continuing our DMC partnership with the city of Rochester, Olmsted County, and state of Minnesota.

Thank you.

Sincerely,

RE: City of Rochester Revised DMC Certificate of Contributions for January 1, 2021 through December 31, 2021

Dear Commissioner Grove:

The City of Rochester is hereby revising our certification of our local contributions under General Aid Contributions and Transit Aid Contributions for calendar year 2021 towards the local matching contributions for the Destination Medical Center development found on the attached Certification of Contributions form. The original certification of 2021 expenses, dated March 23, 2022, was for the amount of \$4,480,952.25 for General Aid Contributions and \$6,135,967.49 for Transit Aid Contributions. The cumulative previous contributions total \$54,132,085.87, for a combined total of \$58,613,038.12. Since that time, after review with internal and DEED staff, changes were made to the certified total.

For 2021, upon review with the DEED auditors, adjustments were made that decreases the amount of General Aid Contributions reported for 2021 to \$2,729,666.77 and reduces the amount reported for Transit Aid Contributions to zero. The cumulative effect of this change is a decrease to our certification for 2021. Our new certified 2021 amount is \$2,729,666.77 for a cumulative total of contributions as of 12/31/2021 of \$56,861,752.64 for General Aid Contributions and \$0 for Transit Aid Contributions.

This revised certification is pursuant to the executed agreement between DEED and the City of Rochester. The deadline for revisions was extended to June 15th this year.

The City sincerely appreciates the assistance that has been and continues to be provided to us from you and your staff as we undertake this important DMC Development for Minnesota.

Sincerely,

Dear Ms. Wheelock and Mr. Dahlen:

Thank you for submitting the 2021 Certification of Expenditures for Destination Medical Center (DMC). We are excited to assist with this initiative to make the Mayo Clinic, Rochester, and Minnesota a premier medical destination.

Your revised certification listed \$110,586,916.31 in Mayo Clinic expenditures and \$44,560,906.89 in other expenditures. The Mayo Clinic provided DEED with information on all invoices and payments (more than 12,000 entries) to account for their certification amount. You also provided an independent third party report from Ernst & Young LLP stating the law and procedures for certifying expenditures are being followed properly. Additionally, DEED staff reviewed invoices and payments in your certification. We selected 68 expenditures totaling \$9,018,157.38. We selected one expenditure from each of the 68 new projects listed. All invoices for the selected expenditures were on file and payments were made in a timely fashion. DEED staff also confirmed that projects had building permits after June 30, 2013. DEED acknowledges the expenses and payments met guidelines and the internal accounting and auditing system the Mayo Clinic has in place is sufficient.

Additionally, the DMCC and the City of Rochester provided DEED with a list of 26 completed projects for \$23,296,226 in expenditures. DEED randomly selected 10 permits and was provided the permit application, permit, project closeout, and map of projects. From this information, DEED confirmed 9 of the 10 projects' values, dates, eligibility, and completion. One project was located outside of the DMC area and was ineligible. The city also approved \$62,397,519.85 in expenditures on eight projects that are completed over multiple years. Your revised certification reduced and properly listed the total amount of other private entities expenditures at \$44,560,906.89. DMCC contracted with Clifton Larson Allen (CLA) to complete a review on its Certification to insure it is correct. CLA issued an opinion that the DMCC certification process was correct.

As required by law, I have determined that the amount of 2021 Destination Medical Center

Expenditures are the \$155,147,823.20 as you certified (in a revised certification). DMC cumulative Expenditures are now \$1,262,043,959.32. As directed by statute, \$200 million is subtracted from this amount to provide Qualified Expenditures of \$1,062,043,959.32. Based on this figure and adequate general aid contributions from the city, I have determined the City of Rochester has qualified for \$29,210,609 of General State Infrastructure Aid in 2022. As per state statute, this payment will be made prior to September 1.

Thank you again for your efforts on this groundbreaking economic development effort.

Regards,

Steve Grove

The Honorable Kim Norton
Mayor, City of Rochester
201 4th Street SE – Room 281
Rochester, MN 55904-3708

Dear Mayor Norton:

Thank you for submitting the 2021 Certification of Contributions for Destination Medical Center (DMC). We are excited to assist with this initiative to make the Mayo Clinic, Rochester, and Minnesota a premier medical destination.

Your revised 2021 Certification listed \$2,729,666.79 in city general aid contributions between July 1, 2013 and December 31, 2021. You provided a detailed listing of more than 600 expenditures. These expenditures consisted of direct DMC expenses paid by the city as well as DMC Corporation and DMC Economic Development Authority expenses paid for by the city. From that list, DEED randomly selected 41 expenses for review. We reviewed invoices, payments and city payroll files for accuracy and eligibility.

Additionally, the city provided DEED with an independent third party report from Clifton Larson Allen stating the law and procedures for certifying contributions are being followed properly.

Your revised certification listed \$0 in transit contributions and no transit aid will be paid by DEED for 2021.

The amount of your general aid contributions qualifies you for the annual maximum of \$30 million of general aid, however Qualified Expenditures from Mayo Clinic and others were \$1,062,203,959. This amount of Expenditures reduces the amount of general aid to the city to \$29,210,609. Your excess Contributions will be credited towards future years. We will be providing payment prior to September 1 as mandated by statute.

Thank you again for your efforts on this groundbreaking economic development effort.
