

## **REQUEST TO WITHHOLD LIBRARY RESERVED MATERIALS**

MN State Statute 13.40 Subd.2 (b) states that a library may release reserved materials to a family member or other person who resides with a library patron and who is picking up the materials on behalf of the patron. The statute also states that a patron may request that reserved materials be released only to the patron.

Please complete this section of the form if you do not authorize anyone else to pick up Rochester Public Library reserved materials on your behalf. This request will remain on file for any/all future library reserved material holds throughout the time the account is active.
